# **GD ENERGY SERVICES** Ltd.

In 2013 our parent company **GD Energy Services, SAU** acquired **NDSL**, a specialist UK decommissioning company. This was soon re-branded **GD Energy Services Ltd.** and since then has enjoyed continued success in winning new business in the UK and Europe.

The acquisition of **GD Energy Services Ltd.** signalled a long term business commitment to the UK and intention to build our service offering and expand operations.

**Winfrith**

**Dounreay**
